**NOW THEREFORE BE IT RESOLVED**, that the Meeker County Board of Commissioners hereby submits to the state auditor a certified copy of this resolution and the attached (Exhibit 1) list of mandates along with statutory citations and comments as candidates for repeal.

Repeal sales tax paid by counties		Imposing State sales tax on local government purchases increases bureaucratic overhead that does not benefit the citizens of the counties, or the State, but rather shifts the cost of State expenditures to the counties, thereby transferring a consumption tax to a property tax. Local government purchases should be exempt from sales tax.
