

<p>Peace officers post traumatic stress syndrome benefit</p>	<p>M.S. 299A.411</p>	<p>Cities are required to provide benefits to police officers and firefighters disabled by a psychological reaction to a traumatic event that occurred on duty. The law requires the employer to provide payment of lost wages and medical treatment for up to one year. The City does not oppose the intent of the mandate, but rather objects if it is unfunded or underfunded.</p>
